

Plastivaloire receives EcoVadis' Gold Medal for its ESG performance

The Plastivaloire Group is pleased to announce it has been awarded the Gold Medal by EcoVadis, the world's leading organization for assessing ESG (environmental, social and governance) performance. This distinction recognizes all the initiatives and actions implemented by the Group over several years and places **the Plastivaloire Group in the top 5% of companies assessed by EcoVadis.**

Plastivaloire thus achieved an overall score of 84 out of 100 in 2026, a significant improvement compared to 2025 (67 points, +17 points) and 2024 (50 points, +34 points). This distinction demonstrates the relevance and maturity of B2P "Blue Planet Blue Project", the ESG initiative implemented by the Group, and reflects its **ability to combine industrial excellence with social and environmental responsibility.**

In detail, **the Group's progress over the past three years has been continuous and significant** in the four main dimensions assessed:

- **Environment (83 points):** reflecting the decarbonisation efforts implemented by the Group;
- **Social (79 points):** ongoing commitment to the safety and well-being of its employees;
- **Ethics (86 points):** rigorous governance and integrity standards;
- **Responsible purchasing (93 points):** excellence in supply chain management.

This success, made possible by the daily commitment of the Group's employees, reinforces Plastivaloire's position as a trusted partner in an industry undergoing rapid transformation and increasingly focused on its environmental and social performance.
